Mon – Fri from 8.00am – 5.00pm

If you are unable to keep your appointment please advise us as early as possible.

Important Information

For Patients Having a Colonoscopy or Gastroscopy with Anaesthesia

- You must submit your preadmission form one week before your procedure date
- Please allow about three hours for your appointment
- Remember you must have a carer to accompany you home and overnight
- Following anaesthesia, you should not operate machinery or undertake critical work for a minimum of 12 hours

We will provide you with a medical or carer certificate if required.

You must fast for six hours before your Gastroscopy (see vicgut.com.au for details or call us).

Additional Information for Patients Having a Colonoscopy with Anaesthesia

If you are booked for a colonoscopy you will need to purchase the correct Bowel prep kit either from our centre or your local chemist. If you have a history of constipation, please contact us for additional instructions (see vicgut.com.au for details or call us).
